Vancouver Island Kidney Patients' Association would like to thank the community for its overwhelming donations for the silent auction. We are proud to announce that over \$7000 was raised. With these monies raised we will purchase comfort items, services and equipment not otherwise funded by hospitals and treatment centres. We would also like to thank VIHA, Anne Gloster, Janice Jenkins and RJH staff for their support which helped make this event enjoyable for those who attended.

VIKPA extends a very special thanks to:
